

JOINS FIRM . . . Larry Bruner has joined Great Lakes Properties, Inc., as assistant manager of property marketing. He is based at the company's main office in Los Angeles. Great Lakes Properties has master planned more than 7,000 acres on the Palos Verdes Peninsula since 1953. Its other current Southern California projects include Del-Amo Financial Center, a \$30 million office building now under construction in Torrance.

Police Nab Trio for Burglary

Three suspected burglars were apprehended by Torrance police early Sunday morning as they allegedly burglarized two offices of the Newton Medical Center, 25200 Layton Ave.

Arrested on charges of burglary were Jerry Zankich, 21, of 1541 W. 10th St., S a n Pedro; Albert Raily, 26, stationed at Fort MacArthur Army camp; and Peter Brusick, 19, of 729 W. 24th St., San Pedro.

Officers Sid Post and Ray Schneider said they saw a forced entry at the center, through a broken window and door, and when they investigated, found two of the three suspects inside one of the offices.

BOTH ZANKICH and Raily were apprehended in the building as they allegedly searched for medical supplies. The men allegedly broke into the office of Dr. Wyndham Moring and ransacked his office, taking approximately \$50 in medicines.

The thieves then broke into another office and took a tape recorder valued at \$300 and approximately \$25 in drugs. Officer Post and Schneider said they caught one of the men as he exited the building and one hidden in an office.

BRUSICK WAS arrested by Lt. Dave Cook and Sgt. Hank Pubkoff as he sat in an auto belonging to Zankich. Officers said that more than 700 pills allegedly belonging to Dr. Moring were found in the vehicle parked at 25300 Layton.

On Saturday, the doctor's wife, Mrs. P. Moring, reported that she saw a car containing three men and a woman drive around the corner and look it over. She also related that one of the men had gotten out of the auto and tried to open doors and windows of the building to see if they were locked.

Police were alerted to the 3 a.m. burglary by the broken window and an open door at the rear of the building.

Speaker Hits The Bottles

The regular monthly meeting of the Palos Verdes Gem and Mineral Society will be held Tuesday, 8 p.m., at the Dapplegray School 3011 Palos Verdes Dr. North, Rolling Hills, in the school cafeteria.

Ray Chapman will speak on "Collecting of Bottles," and will have a display of old bottles for the club members to see. Visitors are welcome.

THE TAPE TOTAL TELLS THE TRUTH ABOUT SAVINGS

A few days ago we chose a customer at random, Mrs. H. O. Turner of Covina and asked her permission to make a list of her purchases, which amounted to \$46.35. Had she bought the same groceries at two other leading food chains, she would have paid \$5.50 or \$5.39 more than what she would have paid at Market Basket. The totals of the other two chains included Specials as well as regular prices. No doubt you, too, can save as much if you shop Market Basket every week. And thanks to Deep-Cut Discount Prices on EVERY item* every day, you don't have to limit your selections to certain items, brands or sizes to save money at Market Basket.
